The Roma 300 thread count Egyptian Cotton sateen hotel bed linen collection features a range of fabulous quality duvet covers and pillowcases.

The duvet covers have a single row of satin stitch detail in the centre. They have a tuck in finish at the hem instead of buttons which makes it suitable for commercial laundries.

The 300 thread count Egyptian cotton sateen is a lovely smooth fabric, woven from a slightly thicker yarn than generally found on the high street, making it a superior quality and robust enough to withstand industrial laundering.

The Roma is a popular design for Wedding Lists and found in some of the best hotels in the World.
