The Brooklyn 300 thread count Egyptian Cotton sateen hotel bed linen collection features a range of fabulous quality flat sheets, fitted sheets, duvet covers, Tuck Top Valances and pillowcases.

The duvet covers are completely plain and have a tuck in finish at the hem instead of buttons which makes it suitable for commercial laundries.

Fitted Sheets have been made extra deep so they fit most deep mattresses and wont ping off in the night.

The 300 thread count Egyptian cotton sateen is a lovely smooth fabric, woven from a slightly thicker yarn than generally found on the high street, making it a superior quality and robust enough to withstand industrial laundering.

The Brooklyn is a popular design for Wedding Lists and found in some of the best hotels in the World.
