The Vermont 200 thread count plain dye organic cotton fine bed linen collection features a range of extra deep fitted sheets, flat sheets, pillowcases and valances and coordinates with most of our duvet cover collections. The 200 thread count organic cotton percale is a lovely smooth fabric that is very easy to care for. The duvet cover features an envelope style hem finish so suitable for industrial laundries.

Our fitted sheets are extra deep so fit most mattresses and don't come loose in the night.
